EXPERIENCE

Internship

Clark Investors and Locators Association (CILA) — **2026 - 2026**

- **Web & Creatives Intern (486 hours)**
  - Maintained and updated content on the organization's WordPress website.
  - Developed branded presentation decks for membership and sponsorship initiatives, and designed publication materials for organizational events.
  - Supported board operations through data compilation from meeting reports, sponsor contact lists, formal letters, and meeting schedules.

Regional Organization

North and Central Luzon Esports — **2024 - 2026**

- **Creatives Officer**
  - Developed visual content and promotional materials for regional esports events.
  - Served as Tournament Marshal for Raite Cup 2024, held in partnership with PSITE Region 3.
  - Managed guest registration and floor coordination for TCG event held at Marquee Mall (2025).

Campus Organizations

League of Outstanding Programmers — HAU — **2024 - 2025**

- **Events & Creatives Staff**
  - Designed promotional pubmats and led the production of the organization's lanyards for campus events.
  - Assisted in the planning, coordination, and execution of campus events.

Code Geeks — HAU — **2024 - 2025**

- **Graphic Designer**
  - Oversaw a small creative team of two staff members in producing visual materials.
  - Designed lanyards and promotional pubmats for organizational events and initiatives.
  - Acted in video productions to promote Code Geeks events and campaigns.

Student Government

School of Computing — HAU **2024 - 2025**

- **Community Extension Services Staff**
  - Participated in departmental events including SOC Days, HAU Days, and other campus-wide activities.
  - Supported event preparation and technical coordination as needed.

PROJECTS

Velasquez Funeral & Chapel — ***Funeral Services Web Platform***

Vue.js 3 · Node.js · Express · MongoDB · Cloudinary · TinyMCE

- Assisted in full-stack development of a funeral home website — contributing to the Vue.js 3 frontend, REST API, MongoDB schema, and admin CMS with TinyMCE and Cloudinary.

FIXIFY — ***Service Booking Marketplace***

Vue.js 3 · Node.js · Express · MongoDB · JWT Auth

- Played a key role in front-end development with Vue.js 3, built the Express REST API and MongoDB schema, implemented JWT role-based authentication, and integrated real-time booking and in-app notification logic.

TRIPIFY — ***Fuel & Travel Companion App***

Flutter · Dart · Supabase · Google Maps API · Openweathermap

- Led development of a mobile travel companion app featuring real-time GPS, fuel cost estimation, and gas station discovery — integrating Google Maps API, Supabase backend, JWT auth flow, and turn-by-turn navigation with physical device testing and UI/UX design.

GRABMEYAYA — Service Web Application

PHP · MySQL · CRUD · Role-based Auth

- Co-developed a web platform connecting families with qualified nannies in Angeles City, handling CRUD database design, PHP backend logic, and dual-role dashboard.

SKILLS

Technical Skills

- **Languages** — JavaScript · PHP · Python · Java · Dart · HTML · CSS
- **Tools & Design** — *Figma · GitHub · VS Code · Cloudinary · Google Maps API*
- **Frameworks & Libraries** — *Vue.js · React · Angular · Node.js · Express.js · Flutter · Tailwind CSS · Bootstrap*
- **Databases & APIs** — *MySQL · MongoDB · RESTful API · Supabase · JWT*

Soft Skills

Adaptability · Analytical Thinking · Attention to Detail · Problem Solving · Team Collaboration · Time Management
